

# Witness & Evangelism Ministry Area

Having multiple methods to bring the Word to the people is crucial. That is why we use this Website, YouTube, Facebook, Instagram and Twitter. During times of the Covid-19 virus, these have proven highly effective in keeping us connected.

Prayer is and should be an essential part of life. Having a “Prayer Box” on the church property allows people to anonymously request a prayer that might otherwise never happen.

Website Update. Ryan Collins has joined the web team and is helping keep the sermons up to date. Ryan is a valuable asset. The Website will be taking on a new view with greater information and appeal to our readers.

We are in the process of revamping the monthly Messenger in the hopes to streamline and improve the communication process.

The Enfoldng Ministry team is planned to be revitalize. This function has been missing for some time and there is a need to reinstate it. Greeting someone new with a coffee mug willed with chocolate “hugs and kisses” and following up with them within a week goes a long way to say, Welcome.

Christian Excellence Recognitoin	
For this Month is	This month's birthdays
John Doe	

Christian Excellence Recognition was started as a monthly way to spotlight individuals that God might say, “Thank you good and Faithful Servant.”
